8. The job agent tab indicates current job opportunities have been posted since your last visit. It also contains the settings for which you can be notified of any jobs that suit your interest.

The screenshot shows a web application interface with a navigation bar at the top containing four tabs: Home, Application History, Job Agent, and My Account. The Job Agent tab is active. Below the navigation bar, a message states: "The following current job opportunities have been posted since your last visit. Click on the title to view complete job details." Below this message is a section titled "New Jobs" which contains a message: "Sorry, there are currently no new jobs that match your Job Agent criteria." Below this section is another message: "Your current Job Agent search criteria is listed below. You will be notified when jobs meet the following criteria:" Below this message is a section titled "My Jobs of Interest (edit)" which contains a list of job titles: Assistant, Executive; Assistant, Human Resources; Assistant, Professional; Assistant, Project Management; Coordinator, Data; and Coordinator, Payroll. To the right of this list is a vertical scrollbar.

9. The My Account tab contains information such as Username, First and Last Name, Last 4 digits of SSN, Password, Email Address, Security Question and Security Answer. You will be able to change your password from this screen if you choose to do so.
